## Solving your own problems

1. In order to solve other  
people's problems you  
have to be able to  
sufficiently solve your  
own problems, and  
in order to solve your  
own problems, you  
must endeavour to  
worship your Allah  
sufficiently, and  
most importantly  
worship your Allah  
correctly, according  
to the Quran and  
Sunnah and the  
understanding of  
the Sahabah (the  
companions of  
Prophet Muhammad  
Peace be upon  
them all)
